*Together We Bring Hope .... And Hope does not  
disappoint*

*I prepared my article for this weekend's bulletin before my departure home to Ghana as I wanted to be sure to kick-off the 2025-26 CMA Campaign before my return home to St. John's at the end of October. By now you should have received my letter asking for your support with this year's campaign. If your household did not receive my letter, I ask that you please call the Parish Office so we can be sure to get one to you.*

*Together We Bring Hope .... And Hope does not disappoint.*

*This year's theme is fitting because, as a parish, we are not able to achieve our CMA goal, or any other goal, without being in this TOGETHER! It takes every parish household to make a sacrificial giving to this campaign as it is best suited to your household situation. If your household is not supporting our parish CMA goal, it is important for me, as your Pastor, to understand why rather than me wondering why. Certainly it's not easy for me to ask for money for the various needs of the parish but these various needs are all part of working toward strengthening our parish and our diocese.*

*As my letter indicated, this year's CMA goal for our parish, #039-*

*St. John the Evangelist, Greece, is \$80,000. It is my hope and prayer that once again we reach our goal as we have been doing these past few years. In addition, we've not only reached our goal, but we have done so at a much earlier time than in past years. This is always refreshing when this happens because it saves me from asking and you from hearing my reminders for all of us to make our pledge and fulfill our commitment over the entire span of the 8 month campaign; it's good for all to wrap it up early.*

*It is my hope and prayer that TOGETHER we can achieve our goal as we did so wonderfully last year. I recognize challenging time continue but I'm confident through your sacrificial giving you will reap blessings from our loving and gracious God.*

*During my time away please take good care and know that you remain in my prayers and I will be grateful for you to please keep me in your prayers.*

*Peace*
